Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Victoria Regional Airport's Passenger Terminal Construction Project in Fiscal Year 2027. The entity to receive funding for this project is the Victoria Regional Airport (VCT), located at 609 Foster Field Dr, Victoria, TX 77904. The funding would be used for Passenger Terminal Construction Project. The project is an appropriate use of taxpayer funds because the current Terminal does not meet the current needs of airlines, passengers, and TSA.

The project has a federal nexus because the funding provided is for purposes authorized under 49 U.S.C. 47100 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Michael Cloud
Member of Congress
