Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Texas A&M Victoria Veterans Success Center in Fiscal Year 2027. The entity to receive funding for this project is the Texas A&M University-Victoria 3007 N. Ben Wilson St., Victoria, TX 77901. The funding would be used for creating a centralized, modern support hub for veteran and military-connected students in the Coastal Bend region, an area with a long-standing military tradition and a substantial veteran population. The project is an appropriate use of taxpayer funds because it will ensure that veterans and military families in South Texas can fully access the education benefits they have earned, receive coordinated academic and wellness support, and transition efficiently into high-demand careers that strengthen the regional economy.

The project has a federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Michael Cloud  
Member of Congress
