Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$5,100,000 for the Burlington-Alamance Regional Communications and Records Management Upgrade, Burlington/Alamance County, North Carolina project in Fiscal Year 2024 (FY24). The entity to receive funding for this project is the City of Burlington, 267 West Front Street, Burlington, NC 27215. The funding would be used to facilitate the implementation of a single Computer Aided Dispatch, Records Management System, and Jail Management System (CAD/RMS/JMS) to serve all law enforcement agencies in Alamance County.

The project is an appropriate use of taxpayer funds because of the cost savings associated with implementing one system across multiple agencies. The taxpayers of every jurisdiction in Alamance County will reap the benefits of a safer community in which emergency response knows no jurisdictional boundaries.

The project has a Federal nexus as it is aligned with the purposes of section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Valerie P. Foushee
MEMBER OF CONGRESS
