Chair

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$3,500,000 for the Chin Page Lift Station project in Fiscal Year 2024 (FY24). The entity to receive funding for this project is Durham County, NC 27701. The funding would be used to replace the existing Chin Page Lift Station and approximately 5,300 LF of sewer pipe with larger sewer pipe and a larger pump station.

The project is an appropriate use of taxpayer funds because until the new pump station is built and put into service, growth in the area is halted. The new pump station will allow for continued economic development and General Fund revenue growth in Durham County.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely

Valerie P. Foushee  
MEMBER OF CONGRESS
