The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting \$2,145,365 for the Oxford Waste Water Treatment Plant Filter Replacement in Fiscal Year 2024 (FY24). The entity to receive funding for this project is the City of Oxford, NC 27565. The funding would be used to replace the existing WWTP filters and install two-disc filters.

The project is an appropriate use of taxpayer funds because it will improve ability to assure continued operation of the Waste Water Treatment Plant during flood events and allow for continuous wastewater treatment during routine maintenance without adding any capacity to the plant.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Valerie P. Foushee
