Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Chagrin Floodplain Restoration and Protection Project in fiscal year 2023.

The entity to receive funding for this project is the City of Willoughby, located at 1 E Spaulding Street, Willoughby, OH 44094.

The funding would be used to preserve and restore 185 acres along the Chagrin River that currently have substantial streambank erosion and nutrient inputs which are contributing to sediment build-up threatening the Chagrin River’s aquatic life use and stability along State Route 84 and River Road. The project implements and meets many of the goals of the 2020 Ohio Nonpoint Source Management Plan.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

David P. Joyce
Member of Congress
