The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Ashtabula County Public Safety Center Technology Enhancements project in Fiscal Year 2027. The entity to receive funding for this project is the Ashtabula County Board of Commissioners, located at 25 W. Jefferson St., Jefferson, OH 44047. The funding would be used for the purchase and installation of modern, integrated public safety technology systems at the Ashtabula County Public Safety Center. The project is an appropriate use of taxpayer funds because installing modern technology will enable the Ashtabula County Public Safety Center to better meet the needs of its inmate population and improve public safety overall.

The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David P. Joyce
Member of Congress
