COMMITTEE ON  
APPROPRIATIONS

The Honorable Tom Cole  
Chairman  
House Appropriations Committee  
H-307, The Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for The City of East Lake Police and Fire Station rebuild in Fiscal Year 2027. The entity to receive funding for this project is the City of Eastlake, located at 35150 Lakeshore Blvd, Eastlake, OH 44095. The funding would be used by the City of Eastlake to support the replacement of its outdated and unsafe police facility, including addressing hazardous materials, failing building systems, and inadequate ADA accessibility as part of a broader public safety infrastructure project.

The project is an appropriate use of taxpayer funds because it invests in essential public safety infrastructure, protects the health and safety of officers and residents, and ensures reliable, modern facilities to support law enforcement operations and community services.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
David P. Joyce  
Member of Congress
