The Honorable Tom Cole
Chairman

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Hubbard Water Pollution Control Facility Upgrades in Fiscal Year 2027. The entity to receive funding for this project is the City of Hubbard, located at 220 West Liberty St, Hubbard, OH 44425. The funding would be used to install new clarifiers and a spill pad at the Water Pollution Control Facility, improving treatment capacity, reliability, and environmental safeguards. The project is an appropriate use of taxpayer funds because it upgrades critical wastewater treatment infrastructure to ensure regulatory compliance, protect environmental quality, and support economic growth in the City of Hubbard and surrounding communities.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David P. Joyce
Member of Congress
