APPROPRIATIONS

The Honorable Tom Cole
Chairman
House Appropriations Committee
H-307, The Capitol
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Lost Nation Road Corridor Improvements project in Fiscal Year 2027. The entity to receive funding for this project is the City of Willoughby, located at 1 Public Square, Willoughby, OH 44094. The funding would be used for construction of roadway widening, intersection realignment, and a modern roundabout at the intersection of Lost Nation Road, Hodgson Road, and Willoughby Parkway, including associated safety, drainage, and streetscape improvements to enhance traffic flow, reduce congestion, and ensure compatibility with adjacent airport operations. The project is an appropriate use of taxpayer funds because it addresses a critical safety and congestion bottleneck with a cost-effective, aviation-compatible solution that improves emergency response access, supports regional economic activity, and delivers long-term transportation efficiency and public safety benefits for residents and businesses.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David P. Joyce
Member of Congress
