The Honorable Tom Cole
Chairman
House Appropriations Committee
H-307, The Capitol
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Maplewood Sanitary Sewer Design Project in Fiscal Year 2027. The entity to receive funding for this project is Trumbull County, located at 160 High St. NW, Warren, OH 44484. The funding would be used to complete the design and engineering for a new sanitary sewer system serving the Maplewood area, laying the groundwork for future construction and system implementation. The project is an appropriate use of taxpayer funds because it advances critical wastewater infrastructure planning that will protect water quality, reduce public health risks from failing septic systems, and support long-term economic development in Trumbull County.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David P. Joyce
Member of Congress
