The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the North Depot Road Safety & Resilience Reconstruction project in Fiscal Year 2027. The entity to receive funding for this project is Saybrook Township, located at 7247 Center Road, Ashtabula, OH 44004. The funding would be used to reconstruct approximately one mile of North Depot Road, including replacement of a failing bridge, installation of a new culvert, and drainage improvements to reduce flooding and enhance roadway safety and reliability. The project is an appropriate use of taxpayer funds because it strengthens a critical transportation corridor that supports emergency response, school access, and daily travel while improving infrastructure resilience and public safety in Saybrook Township.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David P. Joyce
Member of Congress
