The Honorable Tom Cole  
Chairman  
House Appropriations Committee  
H-307, The Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Roaming Shores Water Infrastructure Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the Village of Roaming Shores, located at 2500 Hayford Road, Roaming Shores, OH 44084. The funding would be used to construct a new potable water storage facility, booster pumping station, and associated watermain improvements to replace outdated infrastructure and improve overall system capacity and performance. The project is an appropriate use of taxpayer funds because it replaces aging and deficient drinking water infrastructure to protect public health, improve system reliability, and enhance fire protection and emergency preparedness for a rural community.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David P. Joyce  
Member of Congress
