The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Warren Peninsula Sewer & Water Infrastructure Modernization Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Warren, located at 391 Mahoning Ave NW, Warren, OH 44483. The funding would be used for construction and rehabilitation of sanitary and water lines, providing the essential infrastructure needed to unlock the Peninsula's multi-million-dollar transformation. The project is an appropriate use of taxpayer funds because it invests in critical water and sewer infrastructure upgrades that protect environmental quality, support economic development, and ensure long-term reliability for residents and businesses in the City of Warren.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

David P. Joyce
Member of Congress
