APPROPRIATIONS

The Honorable Tom Cole
Chairman
House Appropriations Committee
H-307, The Capitol
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Trumbull County 911 Communications Tower Project in Fiscal Year 2027. The entity to receive funding for this project is Trumbull County, located at 160 High Street NW, Warren, OH 44481. The funding would be used for construction of a 911 communications tower in Cortland, OH for emergency radio coverage across Northeast Ohio and ensure first responders can reach dispatch without signal loss.

The project is an appropriate use of taxpayer funds because it enhances daily public safety by ensuring stable communications between dispatch and first responders.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

David P. Joyce
