Partnerships with Experienced Organizations: The Annenberg Foundation

FireAid partnered with the Annenberg Foundation to provide necessary infrastructure and philanthropic expertise, including the identifying and vetting of grant recipients

Lisa Cleri Reale, Annenberg consultant, spearheaded identifying and vetting potential grant recipients

The Grant Advisory Committee provides expertise to identify areas of need and evaluate grant applications

Partnerships with Experienced Organizations: Goldman Sachs Donor Advised Philanthropy Fund

FireAid partnered with Goldman Sachs Donor Advised Philanthropy Fund (GS DAF) to:

- Conduct due diligence and evaluate charitable organization of each potential grant recipient
- Administer and distribute funds

What organizations can receive assets from my donor-advised account?

All grant recommendations are subject to review and approval by GS DAF. Grants can only be made to (i) charitable organizations that are exempt from federal income tax under Section 501(c)(3) of the Code and are classified as public charities under Section 509(a)(1), (2), or (3) (other than Type III non-functionally integrated supporting organizations), (ii) private operating foundations under Section 4942(j)(3) of the Code, or (iii) governmental entities described in Section 170(c)(1) of the Code, to be used exclusively for public purposes. In very limited circumstances for a limited category of accounts, and subject to the sole discretion of GS DAF, grants to non-U.S. and other types of organizations may be made in accordance with applicable policies established by GS DAF. Grants cannot be made to private non-operating foundations.

- Grants are not permitted if they would benefit you or any specific individual, such as requests to pay for memberships or tickets to galleries, museums, and public broadcasting stations; goods at a charitable auction; mandatory contribution requirements to participate in a charitable sporting event; school tuition; or benefit dinners. This includes and applies to grants for which any portion of the grant would offer any private benefit, including those mentioned above, such as where a portion of a grant would not be tax-deductible because it is used to purchase a table at an event.
- Grants cannot be made for lobbying purposes or to support political campaign activity. Grants cannot be made to foreign organizations that have not been recognized by the Internal Revenue Service as exempt under Code Section 501(c)(3) and classified as public charities except in very limited circumstances as described above.
- Grants cannot be made to an organization where you, other donors or donor advisors, family members, or any related parties have discretion over the use of the grant funds.

Multi-Level Grantmaking & Evaluation Process

- Engaged well-established, reputable organizations to assist with vetting and due diligence
 - Lisa Cleri Reale (Annenberg Consultant) brought in to assist in identifying grant recipients
 - Funds held/managed by GS DAF
- Overarching sense of urgency to get funds to organizations in the community that could provide services as fast as possible
- Disaster Philanthropy: Balance between formality of process for control purposes and not creating excessive burdens and roadblocks to getting money where it needs to go

Multi-Level Grantmaking & Evaluation Process

- Step 1: Annenberg/Lisa Cleri Reale makes initial recommendations regarding potential grant recipients to Grant Advisory Committee
- Step 2: Grant Advisory Committee makes recommendations to FireAid Board, who review, revise, and ultimately approve or reject grantees
- Step 3: GS DAF conducts review of grantees to ensure suitable 501(c)(3) status; disburses funds to approved grantees subject to certain conditions

Annenberg Initial Recommendation Process

- Round 1 organizations identified by Annenberg by:
 - Direct outreach from Annenberg/Lisa Cleri Reale encouraging organizations they have previously worked with to apply
 - Certain organizations were identified by members of the Grant Advisory Committee as organizations that their respective organizations had previously worked with and knew to be reputable and effective
 - Applications submitted to FireAid
- Round 2 organizations identified primarily through direct applications to FireAid

Grant Advisory Committee and FireAid Board Review

- The Grant Advisory Committee conducts due diligence on each applicant based on several criteria including charity status, leadership and governance, annual filings, relationships, and direct inquiries
- Committee makes recommendations to the FireAid Board of Directors, who reviews, revises, and ultimately approves or rejects proposed grantees

GS DAF Review

- GS DAF conducts review of grantees to ensure suitable 501(c)(3) status; disburses funds to approved grantees subject to certain conditions
 - Grant funds to be used “exclusively for relief and response efforts and not for organization overhead or administration expenses”
 - Required to report on fund usage to ensure full transparency and impact

Dear Sir or Madam:

We are pleased to confirm that a grant was made to your organization via wire transfer:

Person(s) recommending this grant	FireAid 3930 West Century Boulevard Inglewood, CA 90303
Source	FireAid
Amount	\$100,000.00
Purpose	Malibu Foundation for Youth and Families; To support 2025 L.A. County Wildfire relief and response efforts (grant funds are to be used exclusively for relief and response efforts and not for organization overhead or administration expenses). By accepting this grant, your organization certifies: (i) all grant funds will be used exclusively for relief and response efforts and not for organization overhead or administration expenses; (ii) a brief summary of how funds were/are being spent will be provided to FireAid no later than June 30, 2025 and (iii) a full report on the use of all the grant funds will be provided by your organization to FireAid no later than December 31, 2025. If you have any heartfelt stories or meaningful notes about the distribution of grant funds, we'd love to hear them. The summary and full report should be sent to donations@fireaidla.org .

FireAid is a donor-advised account within the GS Donor Advised Philanthropy Fund for Wealth Management (GS DAF) formerly Goldman Sachs Philanthropy Fund, a public charity recognized as exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"). It is not necessary to issue a letter of acknowledgement to the GS DAF for this donation. If you wish to express your gratitude, you may do so to the person(s) listed above who recommended the grant.

GS DAF makes grants exclusively for charitable purposes. By accepting this grant, your organization certifies the following to GS DAF as of date of receipt of the grant funds: (i) In connection with this grant, no tangible benefit, goods or services have been or will be received by any individual or entities connected with the above-mentioned GS DAF account, including donors, donor advisors, their family members or any related parties. Examples of tangible benefits, goods or services include, but are not limited to, dues, membership fees or tickets for galas, museums, and public broadcasting stations, goods purchased at a charitable auction, or any similar items other than name recognition or acknowledgement. These limitations also apply to grants for which any portion of the grant would offer a private benefit, such as where a portion of a grant is not tax-deductible because it is used to purchase a table at an event (a "bifurcated payment"); (ii) The grant funds will not be used to support political campaign or lobbying activities.

If you have any questions regarding this grant, please call (800) 787-3000.

Sincerely,

GS DAF

Progress Report Examples

LA Regional Food Bank

The FireAid grant funds were utilized to cover expenses associated with sourcing and distributing millions of pounds of food. The Food Bank's operations team staff ensure that the flow of food acquired and distributed is maintained. A portion of the grant funds was allocated towards our operations, warehouse staff salaries. The increased activity in operations and programming also demanded that the Food Bank hire outside labor to assist with day-to-day warehouse operations support, and a portion of the grant funds was utilized to cover those expenses. Grant funds were also utilized for third-party freight to transport fresh produce and other food items located outside Los Angeles County in order to meet the demand for the increased food assistance.

Salaries for Operations	302,858
Outside Labor	170,255
Freight	129,170
Food Purchase / Produce Acquisition	397,717
TOTAL	\$1,000,000

2.1. Impact

The first distribution event was co-hosted with Labor Community Services, of LA County Federation of Labor, on May 31, 2025 at UFCW headquarters. We are grateful for their partnership, which included free event space, organized volunteers, effective accounting for and management of the cards, as well as data collection. In addition to grocery vouchers, fire impacted beneficiaries also received:

- TAP cards (bus and rail transportation cards)
- Food boxes
- Air purifiers

As a result of the event, **498 individuals** received \$500 Albertsons Company gift cards. Most of them (80.3%) lost their home in the fires or experienced severe damage to their home; 10.7% percent lost their job; 9.1% percent lost both their home and job.

SECTION 7: FINANCIAL REPORTING

Please attach or summarize your financial report on how, specifically, the FireAid grant funds were used.

Our financials cover the January – May 2025 grant period (June expenses have not yet been reconciled). \$ 185,499 in FireAid grant funds were used to support our three programs serving the 2025 Los Angeles Fires:

- Community to Community Program - \$123,385 (includes team + volunteer delegate travel, meals, accommodations)
- Network & Convene - \$36,114
- Education & Advocacy - \$26,000

Health Federation of Philadelphia – Home Grown Home-Based Child Care

Funding from FireAid is being used to provide direct cash aid to home-based child care providers impacted by the LA County fires in early January 2025. Funding is provided directly to impacted providers once they complete a short application and verify their status as a provider who has been impacted by the fire event. These cash transfers support providers in clean up, repair, and recovery efforts with a focus on ensuring they can continue to offer child care to children and families (who are likely also impacted by fires). FireAid funding is being used for direct cash payments to providers and does not support overhead or administrative activities at Home Grown.

As of June 18, 2025, Home Grown has processed the following payments to providers impacted by the January wildfires:

- 795 providers received a one-time payment of \$500 for a total of \$397,500.
- 49 providers, who lost their homes or were displaced from their homes, received a second round of funding of either \$5,000 or \$9,000 for a total of \$353,500.

The Change Reaction

OUR DIRECT ASSISTANCE PLAN

1

WILDFIRE VICTIMS

Provide direct cash grants to wildfire victims including home owners and small businesses brought to us by our 2,000 person social worker network.

2

ESSENTIAL WORKERS

Stabilize all of the social workers, hospital workers, and teachers that lost homes with direct cash grants of up to \$5,000 so they can begin to help our city's rebuilding and recovery process.

3

THOSE INDIRECTLY AFFECTED

Provide direct cash grants to people indirectly affected by the fires including job losses, small business losses, and other expenses tied to the impact of the fires.

LA County Household Relief Fund

The grant program received over 15,000 applications prior to closing on March 12, 2025. Grant awards range from \$6,000 to \$18,000 per household. The grant funding can be used for any needs not covered by insurance or other forms of assistance, which makes the need for this type of relief vital and urgent, as the region recovers from this devastating event. To date, \$30.3M in grants for Household Relief are approved supporting 3,335 applicants across Eaton (\$20.1M) and Palisades (\$10.2M) applicants. The number of applicants and need far outweighed funding availability.

Funding for the program is nearly extinguished; the County expects to approve and distribute remaining funds by early July. However, the Center is waiting on approvals for a few pending grants for the program, which would allow for additional applicants to receive support.

Findings to Date

- While FireAid itself did not make direct payments, many grant recipients did provide direct payments using FireAid grants
- For example:
 - **Ending Poverty California** received \$500K to provide cash disbursements through Dena Care Collective/Altadena Community Preservation Fund
 - **Office of Food Equity** received \$1M to provide grocery and food gift cards
 - **Sweet Relief Musicians Fund** received \$100K to provide direct cash relief and grocery gift cards
 - **The Buddhist Tzu Chi Foundation** received \$100K to provide pre-loaded debit cards
 - **My TRIBE Rise** distributed direct cash relief and gift cards
 - **Alliance for a Better Community** provided direct cash assistance

Next Steps

- Our investigation continues with additional interviews scheduled
- We are continuing to collect documents and email communications
- Currently, FireAid has received inquiries from the California Attorney General's Office, a group of 14 state attorneys general led by the Oklahoma Attorney General's Office, and a California State Senator
 - These inquiries appear to raise the same issues discussed here
 - We have responded to the AGs' offices and CA state senator
- The remaining \$25 million of the \$100 million raised is expected to be disbursed towards the end of the year
