Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for a Drone as First Responder project in Fiscal Year 2027. The entity to receive funding for this project is the City of Roseville Police Department located at 311 Vernon St., Roseville, CA 95678. The funding would be used for a Drone as First Responder project through the strategic installation of three autonomous drone launch systems at locations throughout the city. The project is an appropriate use of taxpayer funds because a single Drone First Responder deployment site costs approximately \$500,000 to establish but can respond to thousands of calls annually across a wide geographic area. The per-response cost is a fraction of adding patrol officers or additional vehicles while providing capabilities—immediate aerial surveillance—that traditional units cannot match.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kevin Kiley
Member of Congress
