The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Avondale Affordable Housing Stability and Preservation Project in Fiscal Year 2027. The entity to receive funding for this project is Cincinnati Metropolitan Housing Authority, located at 1627 Western Avenue, Cincinnati, Ohio 45214. The funding would be used to support the rehabilitation and preservation of The President Apartments, a seven-story affordable housing community.

The project is an appropriate use of taxpayer funds because it sustains affordable housing and helps prevent homelessness. The property contains 96 affordable apartment units that provide housing for low-income residents, including seniors and individuals with disabilities who rely on stable, affordable housing in order to remain active members of the community. Maintaining this property will help support neighborhood stability and economic inclusion.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

Congressman Greg Landsman
