Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Peaslee Neighborhood Center Renovation Project in Fiscal Year 2027. The entity to receive funding for this project is The Port of Greater Cincinnati Development Authority, located at 221 E. 4th Street, Suite 200, Cincinnati, OH 45202. The funding would be used to introduce and preserve new affordable housing at a critical time for the City of Cincinnati and each neighborhood, all of which have experienced significant investment and rising market pressures but limited additions of deeply affordable units of housing. By adding family-oriented housing on sites surrounded by transit, schools, parks, and community assets, the project helps ensure long-time residents can remain and benefit from neighborhood investments and improvements. The project is an appropriate use of taxpayer funds because by adding family-oriented housing on sites surrounded by transit, schools, parks, and community assets, the project helps ensure long-time residents can remain and benefit from neighborhood investments and improvements.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman Greg Landsman
