*OK District 03*

Dear Student,

Thank you for your inquiry regarding a nomination to the United States Service Academies.

Enclosed is the application for nomination form for you to complete and return to my office. Before completing your application, I encourage you to verify your correct congressional district. This can be done online at *house.gov*. In addition to the written application, interviews with the Nomination Board will be held in November. ***Completed application packets must be received in my district office by Friday, October 14, 2022 in order for you to be considered for nomination.***

To be competitive for the academies, you should have at least four years of English and mathematics, two years of a foreign language, two years of laboratory science, and a year of history. You should also be an active participant in extracurricular activities such as sports or Scouts.

If you have not already done so, you should immediately contact the admissions office of the academies you wish to attend. This will enable them to provide you with a Prospective Candidate Questionnaire and open a pre-admission file. While applying to all four academies may improve your chances of receiving an academy nomination, careful consideration should be given to your choice of an academy. You may change your designation at any time prior to the interview portion of the application process.

It takes a special kind of person to dedicate their college years and beyond to serving and protecting our nation. I always look forward to meeting the young men and women who have made this their life's work. If you have any questions about the nomination process, please contact Allison Litterell at (405) 373-1958.

Respectfully,

Frank D. Lucas  
Member of Congress

*Congressman Frank D. Lucas*  
*OK District 03*

**GENERAL INFORMATION**

Because of the extremely keen competition for nominations, you are urged to apply to every nominating authority for which you are eligible (i.e., Congressman Lucas, Senator Lankford, Senator Inhofe, Presidential, Vice Presidential, Children of Deceased or Disabled Veterans, etc.)

You may reach the senate offices at:

Senator James Lankford  
1015 N. Broadway  
Suite 310  
Oklahoma City, OK 73102  
(405) 231-4941

Senator Jim Inhofe  
3817 NW Expressway  
#780  
Oklahoma City, OK 73112  
(405) 208-8841

To apply for a Presidential or Vice Presidential nomination or if you are the child of an Active Duty Service Member, of a Deceased or Disabled Veteran, of a Military or Civilian Personnel in a Missing Status, or of a Medal of Honor recipient, you should request the nomination by writing to the Academy which you are interested in attending.

Since the academies are able to award more appointments than are provided by Congressional vacancies and other categories, no candidate who is highly qualified needs more than one nomination - whether Principal, Alternate or Competitive -- to obtain an appointment. By the same token, no candidate who fails to meet academy standards will benefit by having multiple nominations. In order that more applicants will have an opportunity to be reviewed by the academies, please let us know immediately if you receive an appointment from another authority. Ideally, students seeking a nomination should begin the congressional and academy process by April of their junior year in high school.

Each congressional office uses a selection process which is designed to meet its own needs and standards. The different procedures are often confusing to applicants who apply to more than one office. Last minute misunderstandings can be avoided by carefully studying and following the instructions of each office.

At this time, for the year 2022, it is unknown how many vacancies will be available at each the United States Air Force Academy, United States Naval Academy, and at the United States Military Academy. Ten candidates will be selected for nomination to compete for each vacancy at those academies. At the Merchant Marine Academy, ten candidates will be selected for nomination to compete for the state quota of two appointments. Under the competitive method, which we use, the candidates selected for nomination will be evaluated by the respective academies, which will make the final appointment. Note that there are no congressional nominations to the United States Coast Guard Academy.

***The application deadline is Friday, October 14, 2022.***  
***Incomplete applications or applications received after the deadline will not be considered for nominations.***

*Congressman Frank D. Lucas*  
*OK District 03*

Attention: Allison Litterell

***THE DEADLINE FOR FILE COMPLETION IS OCTOBER 14, 2022.  
IT IS YOUR RESPONSIBILITY TO CONFIRM ALL DOCUMENTS HAVE BEEN RECEIVED.***

*Congressman Frank D. Lucas*  
*OK District 03*

**REQUIREMENTS**

**Application for Nomination:** The enclosed Application for Nomination must be completed and returned promptly to our Yukon office. Formal candidacy is established in our office upon receipt of the completed application. **Please only send the completed packet; do not send in piece by piece. If your application is not received by the October 14, 2022 deadline, it will be presumed that you are no longer interested in pursuing a nomination. Your file will be closed and you will not be considered for a nomination. Late or incomplete applications will not be accepted.**

**Essay:** The handwritten essay (approximately 250-750 words) should incorporate the questions listed in the application form. This is another opportunity to make your application shine. Please consider the qualities mentioned in the following “Basis for Selection”.

**Residency:** Applicant must be a legal resident of the Third Congressional District of Oklahoma, and must be a United States citizen. If you are a naturalized citizen, you must provide documentation. Please visit *house.gov* to confirm if you live in the Third District.

**Letters of Recommendation:** Choose someone who knows you well (a teacher, coach, employer, etc.) to write a letter for you. They can use the Evaluation Form as an outline for a letter. **You must submit three and only three letters of recommendation.** If more than three letters of recommendation are received, the additional letters will not be considered. **They must be in sealed envelopes with a signature of the writer across the seal.**

**Transcript:** An **official transcript** of your high school records must be submitted. This transcript must include your course listings, final grades, and current GPA. Percentile ranks are not acceptable. Your final junior grades must be listed on the official transcript (report card copy is not an acceptable substitute). Please do not request your transcript before the completion of your junior year. If you apply before this information is available, it is your responsibility to send an up-to-date transcript and to keep your records current.

**Service Academy Academic Recommendation:** Numerical class rank and the approximate size of your class are required on the Service Academy Academic Recommendation Form that is to be completed by your guidance counselor or principal. A few schools have advised they do not rank students. In order to complete all requirements, an accurate estimate of your class standing will need to be made by your guidance counselor or principal.

**Photograph:** A recent photograph with your name on the back.

**REQUIREMENTS CONTINUED**

**Standardized Test Results:** If you have not taken the test before the deadline, you **WILL NOT** be eligible for nomination during this cycle. The SAT or ACT are required entrance examinations for candidates admitted to one of the Service Academies. Applicants are responsible for registration for tests and for requesting scores be sent to my office. Please direct SAT scores to my Yukon office by indicating 6182 as the code and Congressman Frank Lucas as score recipient on the CEEB Form. To obtain ACT test scores, use Code 7621 on the test application form. You will then be furnished an additional copy of the test scores. It is your responsibility to send that copy to my office. If you submit more than one set of records, the higher scores will be counted. If scores are reflected on your high school transcript, no other documentation will be necessary. A competitive candidate will have SAT scores between 600 and 670 on verbal and between 620 and 700 on math, or ACT scores above 26 on English and 27 on math, and will stand in the upper fifth of their class. The higher your scores and class rank, the greater your chances will be for a nomination, assuming qualifications in the remaining areas of consideration are met.

**Interview:** Interviews will be scheduled in November 2022 for all eligible applicants. A personal interview is recommended. ***Congressman Lucas's Academy Review Board will convene on one day and one day only.*** Every effort will be made to avoid conflicts with district and state sports activities. The personal interview is a very important component of the application process. Special arrangements can be made with dependents of active duty military personnel who are located outside the state or candidates attending an Academy preparatory school. You must call our office to discuss these arrangements. To the extent possible, special scheduling time request for November 2022 will be honored, if notice is received prior to October 26, 2022.

**Meet the Deadline:** Please only submit completed applications. We will not accept applications piece by piece. ***Letters of recommendation, service academy academic recommendation form, and transcripts must be in sealed, signed envelopes.*** Send the above information to:

**BASIS FOR SELECTION**

The academies consider evidence of character, scholarship, leadership, physical aptitude, medical fitness, goals and motivation in determining each nominee's "whole-person" evaluation. These qualities are required of an individual in order to meet the challenges of the academy programs and, following graduation, as commissioned officers.

Absolutely critical in the course of evaluating a candidate is a positive determination of the candidate's **CHARACTER**. Absence of good moral character is cause for disqualification.

Each element of a candidate's **ACADEMIC RECORD** is carefully evaluated by a service academy's admissions board.

Participation and achievement in organized athletics, student body and class government, clubs and class extracurricular activities, scouting, boys/girls state, church or other community-related activities demonstrate evidence of **LEADERSHIP POTENTIAL**. Candidates who have found it necessary to work to provide family support are considered to have demonstrated desirable leadership potential. Unlike civilian colleges, the Service Academies place strong emphasis on physical training. In addition, the academies, like civilian colleges and universities, place a high premium on leadership and extracurricular activities. Therefore, consideration must be given to each candidate's proven ability in these areas.

Measuring strength, endurance, agility and coordination, the candidate fitness assessment is designed to determine each candidate's readiness to undertake the rigorous athletic and physical education program at the academies. Each academy includes a **PHYSICAL APTITUDE** test in their evaluation process.

Candidates who meet minimum scholastic standards will be scheduled to take a service academy qualifying medical examination at a military or civilian contract facility near the candidate's home to determine their **MEDICAL FITNESS**. Although medical qualification standards vary for each of the academies, only one exam is required. Scheduling and evaluation of the exam is accomplished by the Department of Defense Medical Examination Review Board (DODMERB). There is no cost to the candidate for this examination. Medical scheduling and evaluation are time-consuming processes, especially if consultation, retesting or corrective actions are required. The process may take from six weeks to four months.

An attempt to measure motivation may be made through observation of the candidate's interest level in attending an academy and serving as an officer in the armed forces. **MOTIVATION** is an intangible quality and difficult to evaluate; however, since it is most frequently the factor that determines an appointee's success or failure at a service academy, the effort must be made. To an extent, motivation can be judged by a candidate's diligence in completing his/her file, which is one reason incomplete applications are not considered for nominations. In addition, candidates are asked to write an essay on their motivation to attend an academy.

*Congressman Frank D. Lucas*  
*OK District 03*

**NOMINATION INTERVIEW BOARD**

Congressman Frank D. Lucas established the Academy Nomination Interview Board to provide each candidate the opportunity for a personal interview. The board is composed of current or former members of the military who were selected because of their outstanding character, community spirit and interest in the continuance of our high caliber of military leadership.

Prior to a candidate's interview, each board member will be given a copy of that candidate's packet.

Each candidate will be allotted 15 minutes for an interview. The questions asked of the candidates during the interview will be at the discretion of the board.

Although an interview is required in selecting nominees, you would not be precluded from a nomination if you have a valid reason for not attending the interview (as discussed in the "Requirements" section above). Surely you will find this process to be a meaningful one, offering an equal opportunity for each individual to receive a nomination.

**INSTRUCTIONS**

Your application starts on page nine of this packet. Pages 9-16 will be completed by yourself. Pages 17 - 21 are to be completed by other people. They should return those back to you to be submitted to our office as part of your complete packet.

***Congressman Frank D. Lucas***  
***OK District 03***

**FACT SHEET**

A candidate must be an American citizen by the date of induction into an academy and of good moral character. If you are a naturalized citizen, you must provide documentation.

**U.S. Air Force, Military, and Naval Academies** require you be at least 17, but not have passed your 23<sup>rd</sup> birthday by July 1 of the year of induction. A candidate must be unmarried with no dependents.

**U.S. Merchant Marine Academy** requires you be at least 17, but have not passed your 25<sup>th</sup> birthday by July 1 of the year of induction. A cadet may be married, but couples may not be domiciled either on or off campus.

To obtain Academy literature, write to the Academy and state the information desired. Include your name, age, grade in school and social security number.
