The Honorable Tom Cole  
Chairman  
Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Enid Solids Plant Relocation Project in Fiscal Year 2027. The entity to receive funding for this project is located at 401 W Owen K Garriot Rd, Enid, OK 73701. The funding would be used for relocating the solids portion of the wastewater facility. The project is an appropriate use of taxpayer funds because the existing solids facility is separated from the fluids facility and has the potential for clogs catastrophic to the community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq..

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Frank D. Lucas  
Member of Congress
