

Congress of the United States

Washington, DC 20515

March 20, 2026

The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Crescent Water Transmission Main Replacement in Fiscal Year 2027. The entity to receive funding for this project is located at 205 N Grant St, Crescent, OK 73028. The funding would be used for replacing a critical section of aging drinking water transmission infrastructure serving residents along Meridian and Ryland Road. The project is an appropriate use of taxpayer funds because The existing steel pipeline is more than 50 years old and has deteriorated significantly.

This project will provide increased water flow, regulate system pressure better, and help maintain water quality. The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Frank D. Lucas". The signature is written in a cursive style with a large, stylized "F" and "L".

Frank D. Lucas
Member of Congress
