The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Stillwater Distribution Line Improvements in Fiscal Year 2027. The entity to receive funding for this project is located at 723 S. Lewis St., Stillwater, OK 74074. The funding would be used for improvements to Stillwater's distribution line in the College Gardens Subdivision. The project is an appropriate use of taxpayer funds because the existing ductile iron water lines were installed in the 1940's and are severely tuberculated and as a result significantly reducing water flow.

This project will provide increased water flow, regulate system pressure better, and help maintain water quality. The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Frank D. Lucas". The signature is written in a cursive style with a large, stylized "F" and "L".
