

Congress of the United States

Washington, DC 20515

March 20, 2026

The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Clinton Regional Renovation and Infrastructure Improvement for Preventative Medicine and Intensive Cardiac Rehab Center in Fiscal Year 2027. The entity to receive funding for this project is located at 100 N 30th Street, Clinton, OK 73601. The funding would be used to address infrastructure deficiencies. The project is an appropriate use of taxpayer funds because CRH is a Rural Emergency Hospital-designated facility and provides vital care to the extended community.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Frank D. Lucas". The signature is written in a cursive, flowing style.
