

Congress of the United States

Washington, DC 20515

March 20, 2026

The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Expanding Access to Primary Medical Care, Family Medicine Clinic Construction (FQHC) in Fiscal Year 2027. The entity to receive funding for this project is located at 205 W Maple, Suite 300, Enid, OK 73701. The funding would be used for facility construction. The project is an appropriate use of taxpayer funds because the new construction will be serviced by predominantly underserved and low income residents of Enid, OK.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Frank D. Lucas". The signature is written in a cursive style with a large initial "F" and "L".
