The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$7,200,000 in federal funding for Construct New Airport Terminal at Clinton-Sherman Airport (CSM) Project in Fiscal Year 2027. The entity to receive funding for this project is located at 121 1st Street, Burns Flat, OK 73624. The funding would be used to design and construct a new 5,000-square-foot General Aviation terminal to address significant infrastructure and operational deficiencies that limit the airport's ability to meet current aviation demand. This project is project is a responsible use of taxpayer funds because the terminal will remain publicly owned, improving the airport's revenue potential,

The project has a federal nexus because the funding provided is consistent with purposes authorized in 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Frank D. Lucas". The signature is written in a cursive style with a large, stylized "F" and "L".
