The Honorable Tom Cole  
Chairman  
Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$3,150,000 in federal funding for Oklahoma City Airport Trust; Rehabilitate Terminal Access Roadways – Phase III, OKC. The entity to receive funding for this project is located at 7100 Terminal Drive, Unit 937, Oklahoma City, OK 73159. The funding would be used full-depth replacement of the existing pavement, which is currently assessed as poor and critically poor, using new materials engineered to accommodate both current and future traffic demands. This project is project is a responsible use of taxpayer funds because this project will enhance safety and convenience for all airport guests. Furthermore, the upgraded roadways are designed to accommodate increased traffic volume, which continues to rise annually and is expected to surge substantially as Oklahoma City hosts two events during the 2028 Summer Olympics, drawing fans, athletes, officials, and broadcasters.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Frank D. Lucas". The signature is written in a cursive, flowing style.
