Dear Chairman Womack and Ranking Member Clyburn:

I am requesting funding for the "Ferry Dock Reconstruction at Dunedin Marina." The entity to receive funding for this project is the Pinellas Suncoast Transit Authority, located at 3201 Scherer Drive, St. Petersburg, Florida 33716. The funding would be used to restore and reconstruct the ferry dock at the Dunedin Marina, supporting ferry service between the City of Dunedin, Downtown Clearwater, and Clearwater Beach. The project is an appropriate use of taxpayer funds because it enhances a cost-effective and resilient transit link that is critical to the region's tourism economy, reduces congestion, and improves accessibility along the Intracoastal corridor.

The project has a federal nexus because the funding provided is for purposes described in 49 U.S.C. Chapter 53, which authorizes capital investments in public ferry service through the Federal Transit Administration.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Anna Paulina Luna
Member of Congress
