The Honorable James E. Clyburn  
Ranking Member, Subcommittee on

Development, and Related Agencies  
274 Cannon HOB  
Washington, D.C. 20515

Dear Chairman Womack and Ranking Member Clyburn:

I am requesting funding for the "PIE Terminal Expansion Project." The entity to receive funding for this project is the St. Pete–Clearwater International Airport (PIE), located at 14700 Terminal Boulevard, Clearwater, Florida 33762. The funding would be used to expand the airport's terminal and apron to accommodate increasing passenger demand. The project is an appropriate use of taxpayer funds because it enhances airport capacity, improves passenger safety and access, and supports the region's leading tourism economy by facilitating travel for nearly 2.5 million annual passengers.

The project has a federal nexus because the funding provided is for purposes described in 49 USC § 47102(28) and 49 USC § 47119, which authorizes funding through the FAA Airport Improvement Program for airport infrastructure projects.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Anna Paulina Luna  
Member of Congress
