The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Westshore Enforcement Bureau (WEB) Vehicle Upgrade and Procurement Project for fiscal year 2027. The entity to receive funding for this project is the Westshore Council of Governments, located at 350 Dover Center Road, Bay Village, OH 44140. The funding would replace four vehicles, including three averaging 22 years old and one 13-year-old vehicle, while adding three vehicles to WEB's fleet to support regional law enforcement efficiency across six jurisdictions. The project is an appropriate use of taxpayer funds because it will improve officer safety, operational readiness, and response capability across Bay Village, Fairview Park, North Olmsted, Rocky River, Westlake, and Lakewood.

The project has a federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

MAX L. MILLER
