Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Dalton Police Department Body Worn Camera Upgrades project for fiscal year 2027. The entity to receive funding for this project is the Dalton Police Department, located at 221 East Main Street, Dalton, Ohio 44618. The funding would be used to upgrade the police department's body-worn camera system. Funding will be used to purchase eleven body-worn cameras equipped with real-time translation capability. This is an appropriate use of taxpayer funds because it would directly support the Dalton Police Department's ability to provide professional, transparent, and community-oriented policing services to the residents of the Village of Dalton.

The project has a federal nexus because the funding provided is for purposes described in section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

MAX L. MILLER
