The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting for the Baker Creek Restoration Project funding through the Interior and Environment Subcommittee for fiscal year 2027. The entity to receive funding for this project is the Northeast Ohio Regional Sewer District located at 17565 Woodshire Drive, Strongsville, Ohio 44149.

The funding would be used to enhance water quality, enhance floodplain access and protection, and decrease the long-term maintenance burden of drainage assets along this stream corridor for stakeholders. The project is an appropriate use of taxpayer funds because of public safety concerns.

The project has a federal nexus because it is authorized under Title VI of the Clean Water Act, 33 U.S.C. 1281 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

MAX L. MILLER
