The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Engle Road Improvement project for fiscal year 2027. The entity to receive funding for this project is the City of Brook Park, located at 6161 Engle Road, Brook Park, OH 44142. The funding would be used for the widening and realignment of Engle Road. The project is an appropriate use of taxpayer funds because it would provide a safer and more efficient flow of both motorized and non-motorized traffic. This will have a direct and quantifiable benefit in reducing both person and vehicle hours in the corridor, as well as lead to an anticipated reduction in crashes.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

MAX L. MILLER
