House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Burbank-Oldman-Winkler Roundabout project for fiscal year 2027. The entity to receive funding for this project is the City of Wooster, located at 538 N. Market Street, Wooster, OH 44691. The funding would be used for converting the signalized intersections of Burbank Rd and Winkler Dr and Burbank Rd and Oldman Rd into a single lane peanut-shaped roundabout. The project is an appropriate use of taxpayer funds because it would improve public safety.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

MAX L. MILLER
