Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Chippewa Township Fire Station Remodel Project through the Agriculture and Rural Development Subcommittee for fiscal year 2027. The entity to receive funding for this project is Chippewa Township, Ohio located at 14228 Galehouse Rd Doylestown, Ohio 44230.

The funding would be used to modernize and improve the fire station facilities that to ensure that the fire department has the necessary infrastructure to operate efficiently, safely, and effectively in serving the community. The project is an appropriate use of taxpayers funds to provide public safety to the area.

The project has a federal nexus because it is authorized under Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

MAX L. MILLER
