Dear Chairman Cole and Ranking Member DeLauro:

I am requesting for the Chippewa Wastewater Treatment Plant Replacement Project funding for through the Interior and Environment Subcommittee for fiscal year 2027. The entity to receive funding for this project is the Medina County, OH, located at 791 West Smith Road, Medina, Ohio 44256.

The funding would be used for the replacement Chippewa Wastewater Treatment Plant critical pieces of public infrastructure. The project is an appropriate use of taxpayer funds because of public safety concerns.

The project has a federal nexus because it is authorized Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

MAX L. MILLER
