The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **City of North Olmsted Wastewater Environmental Infrastructure Initiative** through the Energy and Water Development Subcommittee for fiscal year 2027. The entity to receive funding for this project is the City of North Olmsted, Ohio, located at 31555 Detroit Rd, Westlake, Ohio 44145

The funding would be used for critical investment in regional resilience, specifically designed to remediate legacy infrastructure deficits that pose an increasing risk to public health and environmental safety. The project is an appropriate use of taxpayer funds because of public safety concerns.

The project has a federal nexus because it is authorized under Section 404 of the Clean Water Act (33 U.S.C. §1344),

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

MAX L. MILLER
