The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Quadral Drive Reconstruction and Modernization project for fiscal year 2027. The entity to receive funding for this project is the City of Wadsworth, located at 120 Maple Street, Wadsworth, OH 44281. The funding would be used to reconstruct and modernize Quadral Drive, a primary industrial artery serving several major industrial and manufacturing businesses. The project is an appropriate use of taxpayer funds because it would improve public safety and support job retention, economic growth, and freight logistics efficiency.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

MAX L. MILLER
