The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **City of North Olmsted Wastewater Environmental Infrastructure Initiative** through the Energy and Water Development Subcommittee for fiscal year 2027. The entity to receive funding for this project is Buffalo District office of the U.S. Army Corps of Engineers 478 Main Street Buffalo, NY 14202.

The funding would be used for critical investment in regional resilience, specifically designed to remediate legacy infrastructure deficits that pose an increasing risk to public health and environmental safety. The project is an appropriate use of taxpayer funds because of public safety concerns.

The project has a federal nexus because it is authorized under SEC. 1304. ENVIRONMENTAL INFRASTRUCTURE. (a) NEW PROJECTS, 125th "Section 219(f) of the Water Resources Development Act of 1992 (106 Stat. 4835; 113 Stat. 336; 121 Stat. 1258; 136 Stat. 3808).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

MAX L. MILLER
