WASHINGTON, DC 20330-1000

### OFFICE OF THE ASSISTANT SECRETARY

SAF/IE

1665 Air Force Pentagon  
Washington, DC 20330

The Honorable Cathy McMorris Rodgers  
U.S. House of Representatives  
Washington, DC 20515

Dear Representative McMorris Rodgers:

Thank you for your letter to the Secretary of the Air Force regarding the availability of housing for service members and their families assigned to Fairchild AFB. We appreciate the Spokane community's continued support, in particular their partnering to ensure we have adequate housing in the community for our members and their families. I am responding on behalf of Secretary Kendall.

The installation reviewed the data in your letter and has formally requested a Housing Requirement Market Analysis (HRMA) to evaluate the market conditions in the Spokane area. Our Fiscal Year 2022 HRMAs were already planned and in execution but we have added this to our Fiscal Year 2023 requirements. The Air Force Civil Engineer Center will ready a contract delivery order to perform the HRMA. We will also look for opportunities to get this contracted this year, should additional funding become available. We hope the data from the HRMA will help the local community provide suitable and affordable housing for our members.

I sent a similar response to Senator Murray. We appreciate your continued support for our Airmen, Guardians, and their families.

Sincerely,

JENNIFER L. MILLER, SES  
Acting Assistant Secretary of the Air Force  
(Energy, Installations, and Environment)
