The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, DC 20515

Dear Chair and Ranking Member:

I am requesting \$4,000,000 in funding for Advanced Metering Infrastructure in Fiscal Year 2027. The entity to receive funding for this project is the City of Coconut Creek, located at 4800 West Copans Road Coconut Creek, FL 33063 with the project location taking place at the same location.

This funding will go towards implementing an Advanced Metering Infrastructure (AMI) fixed-network system for Coconut Creek's 12,145 metered potable water service connections. This upgrade will allow for early detection of leaks, reduced water loss, accurate billing, and long-term sustainable use of water resources.

The project has a Federal nexus because the funding provided is for purposes described in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jared Moskowitz
Member of Congress
