The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
U.S. House of Representatives
Washington, DC 20515

Dear Chair and Ranking Member:

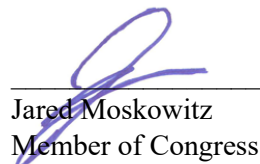

I am requesting \$3,000,000 in funding for EOC Consolidation and Staging Area Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Coconut Creek, located at 4800 West Copans Road, Coconut Creek, FL 33063 with the project location taking place at the same location.

This funding will allow the Coconut Creek City Hall campus to expand its EOC and create the City's primary Community Staging Area following a disaster. The Community Staging Area will serve as a centralized point of distribution for essential resources such as medical supplies, tarps, water, ice, and emergency information. Points of Distribution (PODs) are a vital element of effective emergency management operations.

The project has a federal nexus because the funding provided is for purposes authorized by section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196c), as amended by section 202 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (9/11 Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jared Moskowitz
Member of Congress
