The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations,  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair and Ranking Member:

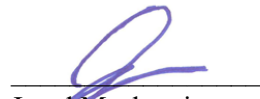

I am requesting \$1,600,000 in funding for the Everglades Trail Loop Segment 3 in Fiscal Year 2027. The entity to receive funding for this project is the City of Coral Springs, located at 9500 West Sample Road, Coral Springs, FL 33065 with the project location taking place at 2575 Sportsplex Drive, Coral Springs, FL 33065.

With the city's proximity to the Everglades and a surge of interest by residents and visitors to spend time outdoors and experience the National Park and its unique wetland habitat, Coral Springs is seeking \$1,600,000 in assistance for the construction of an 8-to-10-foot concrete shared-use path for Segment 3 of the Everglades Trail Loop. This project is a valuable use of taxpayer funds because it supports long-term transportation resilience by diversifying the local transportation network. It represents a forward-thinking approach that integrates recreation, mobility, and environmental stewardship into a single, cost-effective investment.

The project has a federal nexus because the funding provided is consistent with purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
