The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations,  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair and Ranking Member:

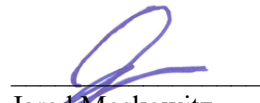

I am requesting \$8,000,000 in funding for the Las Olas Mobility Streetscape Improvement Project (Western Corridor) in Fiscal Year 2027. The entity to receive funding for this project is the City of Fort Lauderdale located at 101 NE 3rd Avenue, Fort Lauderdale, FL 33301 with the project location taking place at Las Olas Boulevard, Fort Lauderdale, FL.

The project will upgrade Las Olas Boulevard, a key multi-modal corridor, by addressing high travel demand, aging infrastructure, safety, accessibility gaps, and conflicts among vehicles, transit, people walking and biking, and curbside loading; through corridor-wide improvements. This will bring the street into ADA and Universal Design compliance, improve transit and pedestrian operations, support economic competitiveness and tourism with safer, more reliable access, and enhance overall quality of life along one of South Florida's most active urban corridors.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
