Dear Chair and Ranking Member:

I am requesting \$3,000,000 in funding for Riverside Drive Roadway Improvements Project (Phase 1) in Fiscal Year 2027. The entity to receive funding for this project is the City of Pompano Beach, located at 100 W. Atlantic Boulevard, Pompano Beach, FL 33060 with the project location taking place at North Riverside Drive between Atlantic Boulevard and NE 14th Street, Pompano Beach, FL 33062.

The City of Pompano Beach seeks \$3,000,000 in Community Project Funding to complete critical flood mitigation and roadway improvements along a 1.25-mile segment of North Riverside Drive between Atlantic Boulevard and NE 14th Street that serves as an important north-south connection for residents, employees, and visitors traveling between nearby neighborhoods and the barrier island. This project will be completed in phases, with this request solely focusing on the section road designated for phase 1. This is a valuable use of taxpayer funds because it addresses both current needs and future risks in a growing coastal community. As Pompano Beach continues to expand, North Riverside Drive plays a vital role in supporting residents, local businesses, and tourism. Investing in this corridor ensures reliable access and helps sustain the area's economic activity.

Importantly, the project goes beyond surface-level road improvements by repairing underlying water, wastewater, and drainage systems before they fail. Taking a proactive approach reduces the likelihood of costly emergency repairs and service disruptions. By coordinating roadway and utility upgrades into a single effort, the project also minimizes long-term costs and avoids repeated construction impacts on the community.

The project has a federal nexus because the funding provided is consistent with purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jared Moskowitz
Member of Congress
