The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Clark Atlanta University Public Safety Improvements in fiscal year 2024. The entity to receive funding for this project is Clark Atlanta University, located at 223 James P Brawley Dr SW, Atlanta, GA 30314. The funding would be used for an upgrade of the campus' security camera system along with a video integration communication center and fusion platform to ensure the system's effective operation. The project would also enable CAU to replace emergency call boxes across campus, further enhancing the security of the community. The project is an appropriate use of taxpayer funds because it will support the safety and security of students attending Clarke Atlanta University (CAU) and the other schools in the Atlanta University Center (AUC).

The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nikema Williams
Member of Congress
