The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Washington, D.C. 205

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Taylorsville Pedestrian Accessibility and Safety Project in Fiscal Year 2027. The entity to receive funding for this project is City of Taylorsville, located at 2600 West Taylorsville Boulevard, Taylorsville, Utah 84129.

Funding will support replacement and rehabilitation of curb, gutter, sidewalk, and ADA-compliant ramps in Taylorsville, Utah. The project surrounds Salt Lake Community College in one of the city's oldest districts. Work includes new ADA ramps, sidewalk and curb/gutter replacement, landscape transitions, concrete restoration, asphalt replacement, tree root removal, and traffic control. This brings aging infrastructure into ADA and safety compliance for students, seniors, and individuals with disabilities.

The project has a federal nexus because the funding provided is for purposes authorized by the Housing and Community Development Act of 1974, 42 U.S.C. § 5301 et seq., which authorizes community development activities including rehabilitation of public infrastructure that principally benefits persons of low and moderate income and supports the elimination of conditions in developed communities that are detrimental to health, safety, and public welfare.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
