H-305, the Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the 8000 North Road Corridor Improvements Project in Fiscal Year 2027. The entity to receive funding for this project is Utah County, located at 100 East Center Street, Provo, Utah 84606.

The project will grade, prepare the base, construct the structural roadway, pave, and add surface safety improvements to 8000 North Road in Eagle Mountain, Utah. This will transform the currently unpaved public roadway into a structurally sound, all-weather paved surface suitable for current and future traffic volumes in one of Utah's fastest-growing communities. The improvements will also provide reliable all-weather access to a nearby public safety training facility used for law enforcement and emergency exercises. Funds will cover all grading, paving, and related construction elements.

The project has a federal nexus because the funding provided is for purposes authorized by 23 U.S.C. § 133 — Surface Transportation Block Grant Program — which authorizes federal funding for the construction, reconstruction, and improvement of highways and related transportation infrastructure on public roads, including the conversion of unpaved roads to paved surfaces suitable for safe public use.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
