The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
H-305, the Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Moroni City Wastewater Treatment Plant Rehabilitation Project in Fiscal Year 2027. The entity to receive funding for this project is Moroni City, located at 350 W 300 S, Moroni, UT 84646.

The funding would be used to modernize Moroni City's wastewater treatment plant and repair deteriorating sections of the collection system. The facility, originally constructed in 1974, is operating near capacity and has identified deficiencies that threaten long-term reliability and regulatory compliance. Planned improvements will upgrade treatment processes and repair aging infrastructure to ensure continued safe wastewater service.

The project is an appropriate use of taxpayer funds because failure to rehabilitate the wastewater system could lead to system failures, environmental impacts, and costly emergency repairs for the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 7 U.S.C. 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
