Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Hilltop Road Multi-Use Trail Extension Project in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Springfield and the project is located along Hilltop Road from Rochester Road to Destiny Dr., Springfield, IL 62712. The funding is designated for the construction of a multi-use trail along this section of road.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits. It establishes a pedestrian and bicycle facilities along a narrow collector street and provides pedestrian connectivity between several large neighborhoods and the City core by tying into an existing trail. It will improve public health through promoting physical activity and public safety by providing a safe place to conduct those activities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Rodney Davis
Member of Congress
